Hermetica: the greek corpus hermeticum and the latin asclepius in a new english translation, with notes and introduction reprint edition The corpus hermeticum, presented with other introductory material, part of a vast collection of materials dealing with gnosis and gnosticism, both ancient and modern. the site includes the gnostic library, with the complete nag hammadi library and a large collection of other primary gnostic scriptures and documents. This is the hermetic virtual library, formally named the collectanea hermetica rediviva, the "hermetic anthology reborn." the title alludes to one of the two primary inspirations for this important new addition to the hermetic fellowship website — the collection of books edited in the 1890s by william wynn westcott under the title of collectanea hermetica. Notas * artículo publicado en el nº 11-12 de la revista simbolos: arte - cultura - gnosis, dedicado a la "tradición hermética" atemala, 1996, y que constituye el primer capítulo de hermetismo y masonería.: 1: sería muy saludable que así pudieran leerse ciertos libros bíblicos como los de moisés, las profecías, los salmos, los de sabiduría, los evangelios (especialmente el de s While this is hardly news—stories that the people beyond the shore were zany mutants and cannibals are nearly a human universal—what is interesting is that some victorian writers tried to make this into proof of greek mythology! Hermétisme désigne deux courants de pensée : . une doctrine ésotérique fondée sur des écrits (les hermetica) de l'époque gréco-romaine attribués à l'inspiration de hermès trismégiste.; son développement dans la doctrine des alchimistes au moyen Âge puis essentiellement à partir de la renaissance.; antoine faivre a suggéré d'employer deux termes distincts pour ces deux

Hellenistic astrology. hellenistic and late antiquity astrologers built their craft upon babylonian (and to a lesser extent egyptian) astrological traditions, and developed their theoretical and technical doctrines using a combination of stoic, middle platonic and neopythagorean thought. astrology offered fulfillment of a desire to systematically know where an individual stands in relation to I fail to understand why the greek dark age would be farcical. the mycenaean palaces collapsed, and with them elite culture. among the casualties wasn't just linear b writing (used almost exclusively by the elite for business records), but also palace architecture, at least half the pantheon of gods, and international trade. Note : the availability of the books by sir e.a. wallis budge (1857 - 1934), late keeper of the egyptian and assyrian antiquities in the british museum, is not a measure of their actual scientific worth. his work is overrepresented on the bookshelves because of a fatal combination of considerable popular interest and commercial arguments.
